Identical letters dated 30 May 2017 from the Permanent Representative of Israel to the United Nations addressed to the Secretary-General and the President of the Security Council

I am writing to bring to your attention Syrian violations of the Agreement on Disengagement between Israeli and Syrian Forces, as well as breaches of Israeli sovereignty, during the months of March and April 2017. A comprehensive list of those violations and breaches is contained in the annex to the present letter.

As outlined below, Syrian violations of the Alpha line and armed presence in the area of separation are daily occurrences. Despite their clear visibility and the fact that the Israel Defense Forces regularly inform the United Nations Disengagement Observer Force (UNDOF) of those violations, such information is consistently excluded from reports of the Secretariat.

Israel is fully committed to the implementation of the Disengagement of Forces Agreement and the relevant Security Council resolutions, as demonstrated by the reports that the Israel Defense Forces continuously supply to UNDOF.

Syrian violations of the Disengagement of Forces Agreement serve only to enhance tensions in an already volatile region.

It is therefore imperative that the upcoming report of the Secretary-General on the activities of UNDOF accurately represent the situation on the ground and demand that the Syrian Government abide by the Disengagement of Forces Agreement of 1974.

I trust that the forthcoming report will reflect those ongoing violations, as well as Israel's commitment to the successful implementation of the Disengagement of Forces Agreement.

I should be grateful if you would have the present letter and its annex distributed as a document of the Security Council.

(*Signed*) Danny **Danon**
